

ClickBright™ Tunable White LED Light Bar

Product Data Sheet

5 Year
Warranty

PRECAUTION:

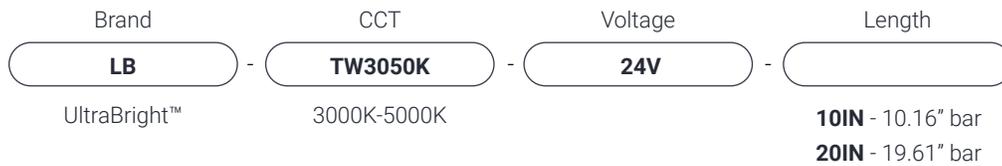

Please read all instructions carefully before installation.

Our ClickBright™ Tunable White LED Light Bars deliver unmatched versatility for mid-output task or accent lighting projects. These bars provide smooth transitions between whites using an in-app slider or preset CCT steps with a sensor. With a built-in cover that prevents light spots and a linkable design of up to 16ft, they are the ultimate under-cabinet, closet, or shelving solution.

Product Features

CCT	3000K-5000K
CRI	93
R9 and R13 Values	Up to 74 (R9) and 99 (R13)
Voltage	24V DC Input
Brightness	Up to 329 lm per 10" fixture Up to 534 lm per 20" fixture
Efficacy	Up to 107 lm/W
Beam Angle	120° Beam Angle
Light Bar Width	21/32" (16.5 mm)
Max Run Length in Series	16 ft (5 m)
LED Size	2835
Ambient Temperature	32°F to 104°F (0°C to 40°C)
Operating Temperature	32°F to 122°F (0°C to 50°C)
Dimmable	Yes
IP Rating	IP20

Safety And Disclosures

01. Installation must be in accordance with local and national electrical code regulations. To ensure safety and correct installation, our lighting products are intended to be installed by a qualified, licensed electrician.
02. Do not install in an environment where excessive heat may exist.
03. Do not bend, step on, or subject to pressure or flexing. Do not mount on uneven surfaces.
04. Do not cover the light or allow the light to be in contact with materials that could pose a fire hazard.
05. Suitable for indoor use, dry locations only.
Each maximum run requires a dedicated power feed from the driver.
06. Do not extend beyond the recommended maximum run length.
07. Use a soft, dry cloth for cleaning.
08. Please use the specific connectors and accessories for this product.
09. Do not modify the product beyond instructions or warranty will be void.
10. We reserve the right to modify and improve the design of our fixtures without prior notice. Although we try our best to order the same colors every time, due to changes in technology and phosphors over time, we cannot guarantee to match existing installed fixtures for subsequent orders or replacements in regards to product appearance, CCT, or lumen output.

Warranty Information

Limited Warranty

This product has a 5 year limited warranty from the date of shipment. This warranty only includes the main product outlined in this specification sheet and does not include the additional accessories that are used as a reference. Complete warranty details for fixtures and additional accessories are available at <https://www.flexfireleds.com/warranties/> within the Policies section. For warranty related questions please contact the product support team at (support@flexfireleds.com).

Consumer's Acknowledgment

Flexfire LEDs, Inc. stands behind its products when they are used properly and according to our specifications. When you purchase our products, you are agreeing to the terms and conditions outlined in our warranty section. We try our best to make recommendations, but the burden of proper installation, design, and maintenance relies on the purchaser. This limited warranty does not include product failures that are the result of: Not using a voltage regulated power supply to connect the LED product or controls; Connecting LED products to the wrong output voltage; Improper connection of power supplies, LED products, or controls; Connecting LED products or controls directly to any AC power source if they are stated for DC only input; Connecting power supplies backwards to an AC power source; Products used in an inappropriate location or in environmental conditions (temperature, humidity, moisture, etc.) outside the normal specified range; Water damage to products not specifically sold as waterproof products; Electrical power surges and spikes; Damage from hail, flooding, tornado, fire, wind, earthquake, lightning, electrical storm, or any other natural disasters or "force majeure" incidences; Damage caused by a vehicle or other accident; Damage caused when transporting the item; Damage to any products that were modified by the user, used for purposes other than as intended or directed, or connected to LED systems or components not purchased from Flexfire LEDs; Products that have been subjected to misuse, mishandling, misapplication or accident. Products used in connection with any components, devices or systems other than those explicitly approved as compatible with Company's products and listed on Company's website. Excessive wear and tear and/or physical or accidental abuse, loss, or theft. Improper repairs or warranty services performed by someone other than Flexfire LEDs will void this warranty.
