

D36HD

Leviton's Decora Smart Wi-Fi® Dimmer Switch is an affordable solution that makes it easier than ever to create an elegant ambiance in your home. It provides full range dimming performance and custom settings for preset light levels, fade rates, and bulb types, and is rated for dimmable LED, CFL, and Incandescent loads up to 300 watts or MLV loads up to 300VA. Easily control this smart dimmer from another wall location in your home using DD00R Wired Dimmer Companions or DAWDC wire-free Anywhere Dimmer Companions. Connect to your smart home platform of choice - works with Matter, Amazon Alexa, Google Home, Apple Home, Smart Things, Home Assistant, Sonos, Resideo and more. Use the My Leviton app on a smartphone, tablet or computer to control lighting or adjust schedules when away from home. The D36HD Wi-Fi Dimmer Switch features wire leads and a slimmer product depth for easier installation, plus a streamlined app setup flow. Neutral wire required. 2.4 GHz network compatible.

Features and Benefits

- Control your lights from anywhere using the free My Leviton app for iOS and Android
- Schedule lights and connected loads to dim/brighten or turn ON/OFF at specific times or based on sunrise/sunset, easily group your smart devices into rooms, and create scenes to activate multiple lights at once
- Schedules are stored in onboard device memory and will continue to run even during a temporary internet outage
- Full range dimming performance with LED, CFL, Incandescent/Halogen and Magnetic Low Voltage bulbs and fixtures
- Optionally customize dimmer settings in the My Leviton app such as dimming range, preset lighting levels, fade rates, bulb types, night settings and more
- Works with My Leviton, Matter, Amazon Alexa, Google Assistant, Apple Home, SmartThings, Resideo, Sonos
- Requires a neutral wire for installation
- Connects to Wi-Fi; No hub required if using the My Leviton app
- Double press the top rocker to turn ON at max brightness or the bottom rocker to snap to OFF
- Ease of installation with a product depth of 1.09" and wire leads
- Off Means Off – Low-wattage LED bulbs and fixtures always turn completely off
- Vanishing LEDs and 6 color change faceplate options ensure a perfect match with other Decora devices (see ordering information)
- Supports 3-Way/multi-location control of the same lights with Wired Companions or Wire-Free Anywhere Companions
- Using My Leviton, control up to 99 devices, 50 rooms, 50 activities, and 50 schedules per residence and up to 20 residences per account
- Can Be Used to Comply with 2019 and 2022 California Title 24, Part 6 Residential Indoor Lighting and Switching Devices and Controls
- Complies with NEMA SSL 7A
