**TECHNICAL SPECIFICATION****Application**

- for the construction of watertight lighting fixtures, for external use. For example, to highlight elements of building facades, elements of street furniture, to illuminate garage driveways, etc.

**Assembly**

- with fixing glues, professional double-sided adhesive tapes
- with mounting brackets 45

**Additional information**

- frosted cover and aluminum-colored plastic end caps are available for this extrusion

Possibility of making a linear fixture with IP67 protection, which means the fixture is dustproof and waterproof.

Turn off LED lights during peak day light hours in outdoor applications to avoid excessive heat buildup which will result in diminished LED life.
