- **Outdoor Versions** use the exact same LED strip and specifications as the normal LED strips listed above but with a high quality silicone protective sleeve.

- **IP68 Protection:** This option is available for most LED Strips **via Special Order** but they **cannot be UL-Listed**.

- All Outdoor Versions are **only sold by the REEL**.

IP65 = Weatherproof (Non-Immersible)

IP68 = Waterproof (Immersible)

* Color Rendering Index

** Maximum Run in Series
